

AN ACT OF THOUGHTFULNESS

One act of thoughtfulness is to take time to do now what you cannot do later. Consider, for example, your funeral/memorial service. When you plan for your service, you are showing consideration for your loved ones. I encourage you to take time now to fill out the form which follows and return to the church office. We will keep it on file.

Full Name _____

Spouse's Name _____

Children's Names _____
